No. 13

USING THE LINCOLN-ROOSEVELT CLUB FOR SUPERVISOR PATTERSON.

Editor News: We, who have cherished the comforting belief that the time is ripe for the dismissal of Supervisor Patterson from consideration as a nominee for re-election by the Republicans of this district, may as well prepare ourselves for disappointment. Not only this, but we may as well anticipate the chagrin of having to see the Lincoln-Roosevelt Republican Club, upon which we were so fond to rely for potency in the achievement of many needed reforms, made use of for bringing about this grievous disappointment.

How? Why? Wherefore? Just this:

The Republican nominating convention will be composed of 97 delegates, of whom two wards of the city of Los Angeles will furnish 47, two less than the majority necessary to nominate. That the regulars, or "the machine," if you please, will carry the greater portion of these precincts must be conceded, and that they will carry them for Mr. Patterson cannot be doubted. To carry the district, then, against Mr. Patterson it is necessary that his opposition should carry not only every precinct outside the city wards of the district, but a sufficient number inside. Can this be done with a split opposition to do it with? No unprejudiced observer can believe it.

A split opposition, then, surely means all the precincts of the city within the district and possibly all the precincts (or nearly all) outside the city, controlled by the regulars or machine, otherwise known as Supervisor Patterson; and the Lincoln-Roosevelt Republican Club we have so confidently looked to for combining and conducting this opposition furnishing and fostering the split.

It happens (is happens the word?) in this way: The executive committee of the Lincoln-Roosevelt Republican Club has seen fit to endorse the candidacy of a gentleman named Pridham, but this candidacy some of the clubs refuse to ratify, preferring to present and vehemently press a local favorite in his stead.

To me this is all wrong. To be sure Mr. Parker has as much right to aspire to the office of supervisor as has Mr. Pridham. And vice versa. But neither has the right to stand in the way, with his aspirations or ambitions, of the achievement of the common good.

At the meeting of the Tropico Club Monday night, opposition to the candidacy of Mr. Pridham was heard, because of standing for the "open shop." At the same time opposition to the candidacy of Mr. Parker was heard because of his inordinate greed for office. With me neither of these grounds of opposition will count. With some they will.

Now, Mr. Editor, it is the honest judgment of your humble servant that no delegate should be sent to the supervisory convention wearing any candidate's collar, or under any other pledge than that of beating the machine.

"To late?" say you? Why so? A caucus of Republicans should be held in every precinct in the district with this as its avowed purpose. "No organization in existence clothed with authority to call such a caucus." What in the name of common sense is the Lincoln-Roosevelt Republican Club in existence for?

Let "old Burch," as he was derisively referred to Monday night by the promoters of this "split," make this prediction: If something is not done to unite and concentrate the forces of the opposition to Mr. Patterson's candidacy of the Republican party, the next supervisor of this district will be named by the Democrats—in the person of our old friend "Jim" Hanley.

Very truly,
N. C. BURCH.

Tropico, Cal.

A MILITARY WHIST MATINEE.

Members of the Woman's Auxiliary of the Glendale Country Club, and their guests, were furnished with a most novel and fascinating card matinee on Monday afternoon in the beautiful parlors at the club house. Mrs. A. W. Collins of Tropico, Mrs. F. H. Vesper, Second street; Mrs. V. Price Brown, Brand Boulevard, and Mrs. C. F. Parker, Central avenue, were the hostesses who so cordially greeted their guests at the door and arranged so well the many pleasures of the afternoon.

Military whist, the chosen game, was delightfully attractive, not only because of the unexpected novelty, but because interest grew as the play progressed and excitement ran high at the multiplicity of flags raised above the tiny forts, until the pretty scene assumed a suggestion of a Fourth of July celebration, for the stars and stripes were numerous, with a sprinkling of flags of other nations. Each of the ten tables represented a fort, where winners brought home their trophies in the shape of a flag. The fort for Ireland, held valiantly all afternoon against invaders by Mrs. Walter C. Fraley, Mrs. Tuft, Miss Eula Richardson and Mrs. G. E. Williams, won twenty flags and was awarded the victory. Mrs. Collins, chairman of the entertainment committee, presented each of the four ladies a handsome silken flag, each representing a different country.

There followed then a few happy remarks by Mrs. Charles Shattuck, Mrs. Ezra F. Parker, Mrs. Edgar W. Pack; Mrs. Collins responding.

The serving of very dainty and delicious refreshments closed the delightful afternoon. There were about fifty present.

TRUSTEES' MEETING.

Present, Messrs. Anderson, Cole and Parker.

The following demands were referred to the finance committee:

Frank Palmer, labor.....\$ 1.25
D. Wetherbee, labor..... 1.00
T. W. Doyle, acct. street bonds..... 20.40
W. L. Watson, inspect. St. Wk..... 7.50

Demands previously approved were ordered paid, except that warrant for June lights was approved for \$30.00 instead of \$51.50.

Application from Geo. B. Mock for sixty days extension of time on the contract for the improvement of First street, was received and granted. Report of building inspector for June, 1908, was received and placed on file.

Deed from E. S. Butterfield to the city of Glendale of certain property for street purposes, was referred to the city attorney who advised that an additional deed from Mrs. E. S. Butterfield be obtained by the city. The deed was placed on file and the city engineer instructed to procure the required additional deed.

The marshal was instructed to paint fire plugs and clear weeds away from same.

The city clerk was instructed to advise the Glendale Light and Power Co. that the board of trustees desire to continue the lighting of our streets by the arc lights now in use, but if the lights are not more regular in their operation the city will discontinue all street lights on August 1st next.

The street superintendent reported that E. A. McCombs, who was awarded the contract for the improvement of Glendale avenue had not signed up and that the time for doing so had expired; that Mr. McCombs' attorney was expected to make a written report as to reasons for declining to enter into a contract for the improvement of said avenue. Street superintendent was instructed to refer such communication when received to the city attorney.

City engineer was requested to furnish an estimate of cost for the improvement of Orange street from Fourth street to Sixth street under the ten-year bond act, and attorney and engineer instructed to prepare necessary resolution of intention to improve said street under the bond act, and the portion from Fourth street to First street by cash payments.

The city clerk was instructed to notify certain non-residents, owners of property on Third street between Brand Boulevard and Central avenue, that a sidewalk will be ordered in on their property unless they cause the same to be done by private contract.

BUILDING NOTES.

Houses still going up and things in a satisfactory condition generally. New buildings continue to spring up here and there notwithstanding the prevalence of the dull season when the summer days drive people to the beaches and have a tendency to turn the mind toward cool drinks rather than to business.

In West Glendale the Beal company is beginning the erection of two or three more houses making about a dozen constructed on the Oliver tract by that concern during the last year.

Mrs. Orr McDougall is putting up a neat house on Burchett street near Brand Boulevard, a six-room modern cottage, costing about \$1500 or upwards.

The Valley View tract keeps up its record-breaking pace. Mr. C. F. Hathaway is one of the latest to make an addition to the collection of homes in that tract. He is building a small cottage for present purposes, to be followed by a larger structure later.

On the same street C. B. Franklin is beginning a six-room modern house with a substantial brick foundation, to have hardwood floor and up-to-date features generally. The ground plan is 31x51 and the cost will be about \$2000.

Mrs. Arfeson, Fifth and Valley View, west of Central avenue, is building a modern cottage to cost about \$1200.

On Fourth street west of Central avenue, Mr. Daniels is building for T. Wood a residence which will not cost less than \$2500.

Central avenue, has begun the erection of a house that will cost about \$2500.

Mr. Kranz of North Glendale is about to commence the building of two handsome residences for himself and brother, respectively, reference to which will be made later.

The lumber yards are busy, the volume of business for the present month being much greater than it was a year ago at the same time. Altogether the outlook is everything that could be desired, with prospects for a lively fall and winter in Glendale.

MUSICAL GUESTS.

A swell little six o'clock dinner was given on Monday by Mr. and Mrs. L. A. Monroe at their home on Fourth street, as a courtesy to two of the graduates of the Metropolitan School of Music, Miss Lula Brown, an accomplished pianist, and Miss Effa Carter, soprano soloist, for the Central Avenue church in Indianapolis. Another guest was Mrs. C. F. Parker of Central avenue, Glendale.

BUSINESS CHANGE.

Messrs. Robbins and McDonald have bought out the Valley Feed and Fuel Co. of M. P. Harrison and also agents for the Interurban Ice Company, with headquarters in the warehouse back of the hardware store on Brand Boulevard near Fourth. Both are young men from Indiana and have come to California to grow up with the country.

MEETING OF THE TROPICO LINCOLN-ROOSEVELT REPUBLICAN CLUB.

Parker Resolution Put Through With a Whoop, But not Quite Unanimous.

The Parkerites came down on Tropico last Monday evening with a lot of innocent new recruits who fancied they were aiding in a great "Reform" movement and their program went through with one or two little jolts. Mr. Hobbs called the meeting to order and made a statement that the coming of speakers from Los Angeles to Tropico had been discouraged, in order that the members of the Tropico club might have no disturbing element to interfere with their deliberations.

One of the visitors suggested that all outsiders retire so that the cerebral functions of the members of the club might not be interfered with, and it was finally agreed that perhaps this would be best. Before this was done, however, Mr. Stem moved that new members be admitted to the club and this being carried, a lot of reformers stepped up and subscribed to the principles of the league, without stopping to inquire what they were. Then the club went into executive session with the door hospitably ajar. Candidate Parker did not retire, however, his disposition not being of that kind. Some one offered the usual form of Coker-typewritten resolution endorsing the statesman from Covina and Central avenue, as being great and good, etc., and the fun began. Messrs. L. C. Rice and N. C. Burch had the temerity to attempt to elect a little bit of good advice into the debate and opposed the motion, for good reasons clearly stated. By this time the door ajar had readmitted the outsiders and the place ran wide open in the absence of a town marshal. After making his plea and finding that it was ineffectual, Judge Burch retired gracefully to the free atmosphere without and a good opposing vote was lost. Mr. C. F. Parker, the beneficiary, dispensed some eloquence in his own behalf, three or four citizens, who were afflicted more or less with the gift of tongues, and somewhat with the gift of tongues, voiced the sentiment of that part of the world which is yearning for Parker to supervise things and the motion went to a vote. It was not quite unanimous but it went. Parker was endorsed by the Tropico Lincoln-Roosevelt, and now that they have done it, they can possibly find time to read the platform of principles. Mr. Parker promised some things, but carefully refrained from promising to throw any votes he might possess in the convention to Mr. Pridham whom the league has endorsed.

After this matter of form was disposed of Statesman Coker took the floor to tell about the naughtiness of the president of the Glendale club who had wickedly and feloniously called a meeting of the club without consulting him (it) the secretary. But at this point Chairman Hobbs recoiled and sternly told Mr. Coker that he did not want to hear anything about the Glendale club, that he had attended its meeting and—here words failed him and with an expressive gesture and his gavel he called the promoter of Parkerism to order. The chair then turned down the mercury by calling for contributions to pay hall rent, and while the hat was being passed the audience faded away.

The concert at Masonic Hall next Wednesday evening will be a musical treat.

GLENDALE COUNTRY CLUB.

Glendale, Cal., July 1, 1908.

In answer to many inquiries: "Can I invite a friend to the dance at the club?" the directors passed the following resolution at the meeting held June 29th: Resolved, That ten members may invite a friend and lady (from outside this district) to a dance; and that the secretary will notify members when their turn comes alphabetically.

This action was taken so as to be fair to all and, if possible, to keep from being crowded, which might interfere with the pleasure of members. When you find an "invitation card" enclosed with your regular notice it is for your use as above.

Members will please mail checks to D. Campbell, secretary, at First National Bank, Glendale, Cal.

Please send your quickest mail address to the secretary at once.

By order of the Board of Directors.

Lovers of music, both vocal and instrumental, should not fail to attend the concert next Wednesday evening.

GLENDALE STUDY CLUB.

The new literary society, strictly a club, organized very recently, will take the "Period of the Revolution" for topic work, though a goodly portion of the program will at each meeting be devoted to current events. The enthusiastic interest in the enterprise already manifested speaks well for the success of the new club. On Thursday afternoon, at her home on Louise street, Mrs. Mary Tuft acted as hostess and also chairman of literary work for the day, presenting a very comprehensive paper upon the Panama canal. The speaker, being well acquainted with prominent officers for that project, was very familiar with her topic and well able to present many little personal observations as interesting and illuminating sidelights. It is expected that study will continue throughout the summer.

Vote July 30th.

W. C. T. U. AND Y. NOTES.

The W. C. T. U. held a very interesting mothers' meeting on the church grounds last Friday, after which fruitade and cakes were served. Owing to the fact that our social superintendent did not know the danger of making it in a galvanized pail, very many were made sick, but W. C. T. U. ladies are human and very often make mistakes, the same as any other organization, but are trying very hard to lift fallen humanity all over this world through their 40 departments of work.

These so-called Y parties held at any home that will open and attended by a few members and more non members, returning home at 1 and 2 a.m., deceiving the parents by saying it is a Y party, must have been planned by some of the non-Christian part of the organization. It was brought to my attention a few days ago, and while I am helpless in regard to their prompt return home after dismissal, my heart aches for all concerned. Parents do not hold the boy and girl long enough as children. No girl or boy under 16 should be out evenings without a chaperon, be it to attend church services or Y meetings. After organization we raised the age from 14 to 16, and prefer those from 18 up, for the L. T. L. needs those younger. I therefore make a plea for the Young Woman's Christian Temperance Union that we need co-operation of more Christian young people, for our object is to enlist and unite the young people of the community in temperance work, to educate public sentiment up to the standard of total abstinence, to train the young in temperance principles, to save the inebriate, and to secure the legal prohibition of the liquor traffic. We advocate a pure life for both sexes, or "A white life for two."

The Y triple pledge is: I hereby solemnly promise, God helping me, to abstain from the use of all alcoholic liquors, including wine, beer and cider, and to employ all proper means to discourage the use of and traffic in the same and from the use of tobacco in any form; and profanity.

Miss Perkins, President, gave out such good thoughts at the open air meeting at the M. E. church Monday night, when she said, "We girls need to be very pure, so much so that we will not encourage the company of a young man who drinks, smokes, or uses profanity, and as we are pledged against the three evils, we can do much towards removing the traffic."

An invitation from the Los Angeles Y to join with them and Euclid Heights Y in a picnic at Hollenbeck Park, city, was received and accepted, August 3rd, all day. Basket lunch.

MRS. W. B. GAYLORD.

It is rarely that one can hear even in large cities, a concert of greater excellence than the one at Masonic hall next Wednesday evening.

NOTABLE MUSICAL EVENT.

A brilliant concert of vocal and instrumental music will be given on Wednesday evening next at the Masonic hall, in aid of the choir fund of St. Mark's church, in which the following artists will participate: Mrs. Marion Gordon Norman, soprano, famous in Los Angeles musical circles in connection with her delightful ballad concerts a few years ago; Mrs. Elizabeth Fonda, contralto soloist, of the First Baptist church, Pasadena, the well-known possessor of a magnificent voice of unusual range and power; Miss Lalla Fagge, violinist, whose successes in London and Brussels were referred to in these columns a last week. She will play the inimitable gypsy music of Sarasate's "Zigeunerweisen," a "Romance" by Rubenstein, Wilhelmj and other delightful numbers. Miss Ina Whitaker, our accomplished local pianist, will play charming compositions by Chopin and Henselt. Mr. Humphrey Woodcock, who has a beautiful tenor voice, will sing two famous selections from Italian opera, and a Tosti ballad.

The entire program will be under the management of Miss Whitaker, and will be a combination of uniform excellence. All lovers of music should embrace the opportunity of hearing it.

The artists secured by Miss Whitaker for the concert next Wednesday evening at Masonic hall do not often appear in outside towns. We should give them a hearty reception.

ELECTRIC RAILWAY.

EAGLE ROCK TO GLENDALE

The supervisors, in accordance with a well-signed petition, have abandoned Eagle Rock county road between the Eagle Rock electric line at the intersection of Central avenue and Colorado street in Eagle Rock, and the east city limits of Glendale at the eastern terminus of Fourth street, and a strip of land thirty feet in width has been deemed for railway purposes.

The deeds permit the use of gas-turbine motors or electricity. It is agreed that, unless cars are operated within ninety days after the rights of way and a bonus of \$3500 have been secured, the deeds shall be null and void.

The road will be two miles in length and will accommodate all parts of Glendale. Details are being rapidly worked out and it is confidently expected that cars will be in operation before November 1.—Highland Park Herald.

MICHIGAN PICNIC.

The Michigan Society of Southern California hold their summer outing at Playa del Rey July 28. It will consist of a basket picnic. All Michigan people and their friends are cordially invited.

Remember July 30th.

Local Happenings

Glendale has much to gain by voting for Good Roads.

James Hasselman has gone north to meet his mother, who left some weeks ago.

Mrs. A. Folsom of Los Angeles spent four days this week visiting local friends.

Misses Myrtle and Emma Pulliam are visiting Miss Lula Green at La Crescenta.

Mrs. Henry Ward, Fifth street, has returned from a visit of several days to Long Beach.

Mrs. M. O. Ryan and daughter, Evelyn, are visiting friends at Long Beach and Ocean Park.

Mrs. Mabel Hackman leaves Saturday for the East on a visit extending over several months.

Mrs. George H. Ward, Third street, is enjoying life in a cottage at Long Beach for a few days.

Miss Ollie Counter of Los Angeles is the house guest for a week of Mrs. Albert C. Anderson, Fourth street.

Mr. and Mrs. James Farrell spent Saturday and Sunday with friends at their former home on Belmont street.

Mrs. H. Howe, Burchett street, left on Wednesday for Hillsdale, Mich., and will remain away until November.

Rev. Walton of Los Angeles will preach at the chapel, corner Fifth street near Pacific, July 26th, 3:30 p. m.

Miss Sarah Thomas of Highland Park visited her aunt, Miss Rachel M. Sherer, Wednesday and Thursday of this week.

Let everybody work for Good Roads July 30th.

Mrs. Clarence J. Newcomb on Thursday afternoon was hostess for St. Mark's Episcopal Guild, at her home on Glendale avenue.

Our former fellow townsman, L. C. Susemihl, Esq., is singing at Redondo on Sundays as basso soloist for the Sunday concerts there.

Mrs. V. Price Brown, Brand Boulevard, who is enjoying an outing of several days' duration at Venice, came to Glendale Monday to participate in the whist matinee.

Master Gus Andrews arrived on Monday over the Salt Lake from Wyoming and is spending a pleasant vacation with his aunt, Mrs. Menzo Williams of North Glendale.

Mrs. Cecil Shaver left Monday for an outing of several weeks at Avalon. Mr. Shaver will go Saturday, also Mr. and Mrs. C. O. Pulliam, for a stay extending over several days.

There will be a dance at Logan's Hall, Tropico, Friday evening, July 31. These Tropico dances have become very popular since the Smeby orchestra has been furnishing the music.

The dancing class on Monday night at the Country Club was well attended and a jolly time ensued. There was violin and piano orchestra to furnish the late music. Several guests were present.

Stand up and be counted for Progress.

The friends of Otto Amberg regret that it has been found necessary for him to return to the hospital and have another operation performed on the leg that was broken, some three months ago.

Messrs. Bowen and Norman were in Glendale Wednesday last looking after their new Glendale Tract, on north-west corner of Central avenue and First street, which they have just put on the market.

Mr. C. H. Randall of the Highland Park Herald called upon us the past week. In addition to his editorial duties Mr. Randall also aspires to a place in the legislature as representative from his district.

Miss Ella Dunstan, recently of Butte, Mont., has moved with her parents to Los Angeles, where they expect to make their home, and have been visiting Miss Laura Bulkeley for a few days recently.

Mrs. S. C. Varney from Guelph, Ont., arrived in Glendale July 4th and is the guest of her daughter-in-law, Mrs. N. L. Varney on Orange Grove avenue. She will probably spend the summer in Glendale.

Rev. J. N. Fields of Redlands visited Glendale the past week in the interest of the University of Redlands, which promises to be an educational institution of great usefulness under the control of the Baptist church.

His friends have received news of the recent marriage of Mr. Ernest Babcock, for one or two terms the principal of our Grammar school, who since leaving Glendale has taken a special course at Berkeley and is now an expert on plant life.

Dr. L. N. Rudy has opened a dental office on the second floor of the Masonic Hall building on Brand Boulevard. Dr. Rudy has just completed an artistic bungalow at Lomita Park and has settled down to Glendale citizenship enthusiastic over the outlook.

Topic of morning sermon at the Presbyterian church, "Life More Abundant in the Twentieth Century." Come and hear the chorus choir and the orchestra in the evening. Join in the hearty congregational singing. Short sermons for the warm weather. Topic for evening, "Another Fact."

A vote that fixes our status.

Councilman A. J. Wallace of Los Angeles has bought the Fleming place in La Crescenta and is seen in Glendale frequently.

Prof. and Mrs. McLean of Fresno and Miss Marguerite are domiciled in a pretty cottage at Ocean Park for a few weeks. Mrs. McLean is a daughter of Mrs. Best of Fifth street, and with her family, spent last summer in Glendale, where they made many friends. Prof. McLean is superintendent of schools in Fresno.

Get up early, vote and work for Good Roads July 30th.

"El Patio" will be the name of the W. R. Ormsby home just completed by E. K. Grant, First and Kenwood. Mr. and Mrs. Ormsby will move to their new home about August 1, when the grounds are completed. It will be a very attractive and comfortable home, differing in many respects from most of our modern Glendale homes, especially that it is not for sale at all.

Get your neighbors out and vote for Good Roads July 30th.

The editor was surprised and pleased the other day to receive a call from Mr. Lewis Foy, who has come to Glendale and is employed in the Glendale Bakery, having previously been located at Hollywood for a short time. Mr. Foy came to California about a year ago from Chester County, Pa., and by comparing notes he and the editor found that they were school boys together somewhere about forty years ago.

Vote for Good Roads July 30th.

FAVORABLE MENTION.

A recent copy of the San Jose Daily referring to the newly appointed manager and secretary of the Y. M. C. A. of San Jose, C. E. Pomeroy, son of Rev. Fletcher Pomeroy of Burbank, says, "The directors of the Y. M. C. A. have been in communication with several prominent workers and Mr. C. E. Pomeroy has been decided upon as the most desirable, being one of the most active and capable workers the association has in the country."

A later issue mentions a large and enthusiastic reception at the Y. M. C. A. auditorium, also several other social events in honor of the new manager, Mr. Pomeroy.

It will be remembered that Mr. and Mrs. Pomeroy spent some time visiting in the valley on their way from Brooklyn, N. Y., where they had been the past four years, to the new field in San Jose.

Mr. Pomeroy's unusual success at Hartford, Conn., to which point he went eight years ago, also at Geneva, N. Y., and later at Brooklyn, has resulted in his recall to the West, which in their own words, "is a return to home and friends and dear old California."

Mrs. Pomeroy, who was a Miss Marion of San Francisco, prominent in musical and social circles of that city, being a musician of exceptional ability, combining a clear and powerful technique with a most sympathetic and delicate touch. San Jose is indeed fortunate in gaining so estimable and talented a couple, and this valley is proud to claim them when visiting their parents Rev. and Mrs. Pomeroy.

THE SUNDAY SCHOOL EXCURSION LAST WEDNESDAY.

A Big Crowd Goes Down on the Salt Lake Special.

Without seeing the people who went aboard the special train of the Salt Lake company last Wednesday at 8 a. m. bound for Long Beach, one could scarcely believe that Glendale could spare so many people and yet have enough to keep things going. About 500 of them climbed aboard the five cars provided and filled them comfortably. The supply of tickets provided at Glendale gave out and many excursionists could not be supplied with them until they reached Los Angeles.

The excursion was under the auspices of the Presbyterian, Methodist and Episcopal churches, but that did not rule out those who wished to go from any or no denomination and the crowd was a generally representative one. The day at the beach was greatly enjoyed by all participants and the affair was a complete success, thanks to the promoters and to the railroad officials who made all arrangements that were necessary for the comfort of all comers. The train returned to Glendale about 8 o'clock p. m.

DANCE AT THE COUNTRY CLUB.

The Country Club gives a dance Saturday evening, August 1st, next. The arrangements are in charge of a committee consisting of John R. White, chairman, and Messrs. G. B. Woodberry, R. H. Wilson, Dr. R. F. Chase, John N. Metcalf and Fred Deal. The music will be the best procurable, the rooms will be specially decorated for the occasion, there will be plenty of the celebrated club punch served and a pleasant time guaranteed to all.

BID ACCEPTED FOR THE NEW SCHOOL HOUSE.

At a meeting of the Grammar School Wednesday evening bids were opened for the erection of the new Grammar school building in Glendale. That of A. H. Anderson was accepted, the amount being \$9875. Bids ranged from \$9416 to \$11,000. The contract is not yet signed, but it is hoped the building can be completed in October.

C. H. Shattuck is the architect.

GLENDAL, CAL., JULY 25, 1908

We believe the Lincoln-Roosevelt Republican League did well in not putting up a candidate against Mr. McLachlan to succeed himself as congressman from this district. Mr. McLachlan did good work for Southern California in the San Pedro harbor matter and in regard to the tariff on our citrus fruits. He is a member of important committees and will doubtless be of much more service to his district than could a new man, however good his intentions.

The name of the San Jacinto national forest has been changed to Cleveland national forest, by act of the president. While not objecting to honoring the memory of the dead, we regret that the local name has been taken away from this tract of mountain region. The old name gave to the forest a "local habitation" which cannot be conferred upon it by the name of the greatest man who ever lived, and that was not Grover Cleveland, whatever the degree of his greatness.

JUDGE LANDIS OVERRULED.

The Court of Appeals has overruled the decision of Judge Landis whereby the Standard Oilers were fined a paltry twenty-nine millions. From the lips and pens of the thickskulled we expect most voluble denunciations of the Court of Appeals. But we see no reason for excitement. As we understand the decision the higher court considers the defendants guilty, but holds that the single car basis upon which Judge Landis figured up the total of the fine, is incorrect.

The matter is very plain. As Judge Landis could hit only one of the tentacles of the octopus, anyhow, what was the use in his using a pile driver?

FOR A CITY PARK.

Now in its infancy Glendale should begin to build wisely for the future which will soon be upon it, when there will devolve upon us the responsibility of maintaining our real right to be called a "city." We move so swiftly in this age and generation that it is difficult to realize the flight of time and the processes of growth, but the event is inevitable. Glendale stands in the highway along which moves the car of progress; we must get aboard or get out of the way. A public park is vitally necessary to a city and it should be secured as early as possible in its history. Prices of land seem to the conservative to be high, but unless some unexpected catastrophe occurs, valuations will not be depressed. As yet there has not materialized any good angel to give to the city land for a public park, nor are there any signs of his coming. The best way to get it seems to be to get it now. The location should be central, not central according to the present limitations of the city, but reasonably central for the greater city that we soon will be. It is quite practicable for us to vote a bond issue to secure property; we can afford to do it. Once secured, an annual expenditure of a few hundred dollars for trees and plants and the care of them, would be easily arranged, or the bond issue could provide a certain sum for improvement and maintenance. We should be glad to hear from our citizens upon this subject. Give some practical suggestions as to cost, location, etc., so as to get the ball started.

A NARROW ESCAPE FROM GREATNESS.

Had Mr. Richard Pearson Hobson been blown up by Spanish guns on the occasion of his one heroic endeavor, his fame would have been secure. He would have had a splendid monument to keep alive for a short time the story of his patriotic enterprise, which would have been sung by poets and told in glowing sentences by historians and writers inspired to tell of patriotic deeds. But alas, Richard was born with a tuneful tongue which stabs his greatness in most treacherous way and tells the scoffing world the story of his human frailty. Had he been content to be drowned or to stop a Spanish bullet, the world would now be in ignorance of the sanguinary encounter which the United States is soon to have with Japan, but he lived to tell that story and his fame is but a dream! Richard as a martyr would have been a fine historic figure, but Richard as a prophet, as one

of the innumerable band of prophets, is a misfit and a strutting superfluity. Prophets are a drug on the market; the time when they had a certain fixed value and were looked upon with favor in the world, has passed some centuries ago, and Richard has not found it out. If Captain Hobson, or plain Mister Hobson, could be put in cold storage for a season until aged a little, possibly he might be yet of some service to the world and retrieve a bit of his mislaid reputation, but as a spouting congressman he is not quite unique enough to be an attraction and the eloquence of his mouth is becoming quite a serious matter. Poor Richard, if he only wouldn't talk!

MR. C. F. PARKER AND THE LINCOLN-ROOSEVELT REPUBLICAN LEAGUE.

That the action of the local Lincoln-Roosevelt Republican clubs in endorsing for supervisor in this district, Mr. C. F. Parker, is inconsistent with the platform and principles of the league, is not to be wondered at, considering that the bulk of the membership in the Glendale and Tropic clubs is composed of citizens who have taken no particular interest in the movement as a whole, but were led to join the local clubs by Mr. Parker and the one or two gentlemen who are energetically boosting him. At the same time they subscribed their names to cards which set forth the object of the league. They should have understood what a league is and have taken no action so plainly at variance with the meaning of the word and the object of the organization. A league is an organization of several minor bodies, associated together for a common object. Naturally, there must be a central authority given power to act for the whole. It is not expected that a local body in any league will be allowed to act independently of or contrary to the wishes of the whole in any matter in which all are concerned. If so, a league would clearly be a farce. The facts in the case may be given briefly. It was considered desirable that the league should name its candidate as soon as possible, provided he was a man who would give strength to the movement, a man known outside his own precinct and with a record of good work done for the common good. All clubs were given due notice of the time, place and object of the meeting. No action was taken at the first meeting for the reason that the representation was not so general as desirable; it was postponed until another date and every club duly notified. At that meeting every club was represented that had a candidate to suggest, as far as known. There were five or six candidates named and they or their friends presented their claims. A resolution was passed pledging every aspirant to support the candidate agreed upon by the committee, then the balloting began. On the first ballot Mr. Parker had six or seven votes out of thirty. Mr. Hobbs had two. The second ballot (possibly the third) gave Mr. Pridham a clear majority of the total vote cast. This settled the matter satisfactorily as far as every other candidate was concerned, except Mr. Parker, and all except him withdrew from the contest. Mr. Parker and Mr. Coker for him, made the sanguinary declaration of their intention of "fighting to the last ditch." The executive committee is composed of all the officers of every local club, usually the president and secretary. On the occasion above referred to, South Pasadena, which presented Mr. Pridham's name, was represented by two delegates only.

It becomes clear from the above statement that while Mr. Parker's right to make an effort to secure the Republican nomination for supervisor is unquestioned, he can only be looked upon as an independent candidate, and the endorsement given him by the Glendale and Tropic clubs does not by any means constitute him a "Lincoln-Roosevelt" candidate. Believers in the principles of the league cannot logically support Mr. Parker.

336 Brand Boulevard, - - - GLENDALE, CAL.

The Thursday Afternoon Club of Tropic held its last meeting for the season this week at the home of Mrs. John A. Logan. The club was handsomely entertained by the hostess, her sister, Mrs. Andrew Stephenson, assisting.

On Thursday, July 30th, a library tea will be given at the home of Miss J. Harriet Myers, on Central avenue. The program will be an attractive one and an opportunity will be given for those present to contribute to a fund for securing new books for the library.

The children's party and dance given at Logan's hall, Saturday afternoon, by Mrs. E. W. Richardson, Mrs. L. Church and Mrs. Alex. Mitchell, was a most charming event. The lassies in their airy summer frocks resembled a heavy of gay butterflies flitting about the room.

The ladies of N. P. Banks W. R. C. are preparing to give the "Old Maid's Return," an amusing and laughable farce, at G. A. R. hall in the very near

future. "Mrs. Wiggs of the Cabbage Patch" will follow later, but as so many have requested the "Old Maid's Return" it was deemed advisable to present it first.

Mr. and Mrs. Louis McKown of Glendale avenue, active workers in the Methodist-Episcopal church, will depart for Medford, Ore., the first of the week, where they will seek a new residence. Misses Hazel and Helen McKown, Helen and Newton McKown, will depart for Oregon as soon as their parents send for them.

DINNER PARTY AT WOOD'S HOTEL

The Eastern Star lodge had an installation of officers last Thursday evening at Masonic Hall. After the installation Mr. and Mrs. W. H. Bullis, of Tropic, entertained the following guests at a dinner at Wood's Hotel: Mr. and Mrs. Jno. W. Parker, Mr. and Mrs. C. F. Parker, Mr. and Mrs. Fred Deal, of Glendale, and Mr. and Mrs. L. F. Ems of Los Angeles.

NOTICE INVITING STREET WORK PROPOSALS.

Pursuant to Statute and to Resolution No. 164 of the Board of Trustees of the City of Glendale, California, adopted the 1st day of July, 1908, directing this notice, the undersigned invites and will receive at his office of the City Hall, on Fourth Street near Glendale Avenue, up to 7:30 p.m. in Wednesday, the 29th day of July, 1908, sealed proposals or bids for the following street work to be done according to the specifications and plans adopted for the said work, on file, to-wit:

First: That, that portion of the roadway of Brand Boulevard from the Southern line of Fifth street to the Southern city boundary line of the City of Glendale, including all intersections of streets (excepting such portion of said street and intersections as are required by law to be kept in order or repair by any person or company having railroad tracks thereon) be graded, tamped and oiled in accordance with the plans and specifications for the grading and tamping of streets on file in the office of the City Clerk of the City of Glendale, said Specifications being numbered 9, except that instead of following that portion of said Specifications contained on page 2 of said Specifications under the heading of constructing gutter, sprinkling and oiling, which reads as follows: "The roadway shall be coated evenly with the oil at the rate of three gallons per square yard of surface covered. This shall be thoroughly cultivated in until the oil is well mixed with the soil to a depth of five (5) inches. The roadway shall then be tamped with a tamping roller until the bottom two and one-half (2½) inches are solid. The roadway shall then be re-crowned with a road grader, again thoroughly sprinkled with water until the top two and one-half (2½) inches are evenly dampened. The second coat of oil, amounting to one gallon per square yard of surface covered, shall then be applied and cultivated in as aforesaid, to a depth of two and one-half (2½) inches. Then the roadway shall again be tamped with a tamping roller until the entire surface of the roadway is uniformly hard and smooth and without undulations or irregularities in the surface. After said tamping there shall be applied a third coat of oil amounting to one-half gallon per square yard of surface covered."

The following provisions are to be followed in lieu of said specifications No. 9:

The roadway shall be coated evenly with the oil at the rate of three (3) gallons per square yard of surface covered, which shall be applied in the following manner:

First, an application of one gallon of oil per square yard of surface covered, this shall be thoroughly cultivated in until the oil is well mixed with the soil to a depth of five inches and the roadway shall at all times, during said application herein described, be kept thoroughly moistened with water. After the first application of oil has been thoroughly worked in, a second application of one gallon of oil per square yard of surface covered shall be applied and worked in in the same manner as said first application, followed by a similar third application of oil of the same quantity which shall be worked into the roadway in the same manner as said first and second application. Then the roadway shall be tamped with a tamping roller until the entire surface of the roadway is uniformly hard and smooth and without undulations or irregularities in the surface. After said tamping there shall be applied a fourth coat of oil amounting to one-half (½) gallon per square yard of surface covered.

Except that on page 2, subdivision 4, under the heading "Oil," instead of the following provision "Natural Oil: The oil used shall be untreated, crude oil and shall not have been treated to remove water, sediment, or volatile materials." The following provision regarding the oil to be used shall be adopted: The oil used shall be crude petroleum.

Second: That from the South line of Fifth street to the North line of Sixth street a cement curb shall be constructed along the East Side of the East roadway of said Brand Boulevard, including returns at all street intersections, fifteen feet from the easterly line of Brand Boulevard and fifty feet from the center line of the right of way of the Los Angeles Interurban Railway and that from the South line of Fifth street to the North line of Sixth street a cement curb shall be constructed along the West Side of the West roadway of said Brand Boulevard, including returns at all street intersections, fifteen feet from the West line of said Brand Boulevard. Also that from the South line of Sixth street to the Southern boundary line of the City of Glendale, a cement curb shall be constructed along the East Side of the East roadway of said Brand Boulevard, including returns at all street intersections, forty-nine feet easterly and parallel with the center line of the right of way of the Los Angeles Interurban Railway, and that from the South line of Sixth street to the Southern boundary line of the City of Glendale a cement curb shall be constructed along the West Side of the West roadway, including returns at all street intersections, forty-nine (49) feet westerly and parallel with the center line of the right of way of the Los Angeles Interurban Railway, (excepting along such portions of the lines of said roadway as when a cement curb has already been constructed on the official line and grade) in accordance with the Specifications for the construction of cement curbs on file in the office of the City Clerk of the City of Glendale, said Specifications being numbered 2. Said curbs shall be curved on the specified radius to meet the curb lines of all intersecting streets as tangents.

The term East Roadway herein mentioned refers to that portion of Brand Boulevard lying between the East line of Interurban Railway and the East line of Brand Boulevard. The term West Roadway herein mentioned refers to that portion of

Brand Boulevard lying between the West line of the right of way of the Los Angeles Interurban Railway and the West line of Brand Boulevard.

Third: That a cement curb be constructed upon said Brand Boulevard along both sides of the right of way of the Los Angeles Interurban Railway twenty-one (21) feet from and parallel with the center line of said right of way, except along such portions of said right of way as are intercepted by the prolongation across said right of way of the curb lines of all intersecting streets. Said above mentioned cement curb shall be constructed in accordance with the specifications for the construction of cement curbs on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 2.

Section 2. That the Board of Trustees of the City of Glendale finds upon estimates directed to be furnished and furnished by the City Engineer, that the total cost of said improvements will be greater than fifty cents per front foot along each side of said street, including the cost of intersections, and it is hereby determined in pursuance of an Act of the Legislature of the State of California, approved February 28, 1893, as amended by an Act of the Legislature of the State of California, amending said last named act, which amending act became a law March 2, 1899, that bonds shall be issued to represent the cost of said improvements; said bonds shall be serial, extending over a period of ten years and an even proportion of the principal sum of such bonds shall be payable annually by coupon, on the second day of January of each year after their date, until the whole are paid, and said bonds shall bear interest at the rate of seven (7) per cent. per annum on all bonds unpaid; payable semi-annually by coupons, on the second days of January and July of each year.

Bidders must file with each proposal or bid, a check payable to the order of the President of the Board of Trustees of the City of Glendale, certified by a responsible bank, for an amount which shall not be less than ten per cent. of the aggregate of the proposal or a bond for the said amount and a surety, signed by the bidder and two sureties, who shall justify before any officer competent to administer oaths, for double the said amount, and above all statutory exemptions. In bidding use blanks which will be furnished by the City Clerk upon application.

NOTICE INVITING STREET WORK PROPOSALS.

Pursuant to Statute and to Resolution No. 163 of the Board of Trustees of the City of Glendale, California, adopted the 1st day of July, 1908, directing this notice, the undersigned invites and will receive at his office, in the City Hall, on Fourth Street, near Glendale Avenue, up to 7:30 p.m. in Wednesday, the 29th day of July, 1908, sealed proposals or bids for the following street work to be done according to the specifications and plans adopted for said work, on file, to-wit:

First: That, that portion of the roadway of Louise street in said City from the South line of Second street to the Northern line of Ninth street, including all intersections of streets (excepting such portions of said street and intersections as are required by law to be kept in order or repair by any person or company having railroad tracks thereon) be graded and oiled in accordance with the plans and specifications for the grading and oiling of streets on file in the office of the City Engineer, and Specifications for the construction of graded and oiled streets on file in the office of the City Clerk of the City of Glendale, said Specifications being numbered 7, except that instead of following that portion of said Specifications contained on page 3, Subdivision 4, of said Specifications: "When the surface of the street has been thoroughly cultivated and prepared the first application of oil, consisting of one and one-fourth (1¼) gallons of oil per square yard of surface, shall be applied. This coat of oil shall then be thoroughly cultivated and incorporated into the four inches of loose surface soil. After a lapse of not less than twenty-four hours a second application of oil, consisting of three-fourths (¾) of one gallon per square yard of surface, shall be applied. The second coat of oil shall be lightly harrowed into the surface in such a way as to retain this coat of oil upon the top for a wearing surface."

The following provisions are to be followed in lieu of said Specifications No. 7:

When the surface of the street has been thoroughly cultivated and prepared, the first application of oil, consisting of one and one-fourth (1¼) gallons of oil per square yard of surface, shall be applied. This coat of oil shall then be thoroughly cultivated and incorporated into the four inches of loose surface soil and said street is to be kept thoroughly moistened at all times during the application of oil herein mentioned. After a lapse of not less than twenty-four hours a second application of oil, consisting of one and one-fourth (1¼) gallons of oil per square yard of surface covered, shall be applied and thoroughly cultivated and incorporated into the four inches of loose surface soil and likewise kept moistened as in first application. After the second application of oil is applied, the said street will be rolled with a smooth roller weighing not less than five (5) tons, until the surface of the street is uniformly smooth and hard. After said street is so rolled a third application of one-half (½) gallon of oil per square yard of surface covered, containing not less than 80 per cent. of asphaltum, shall be applied to said street, as a surface covering, and a sufficient amount of clean sharp sand spread over the surface of the roadway sufficient to cover and absorb said oil, and then the roadway shall be thoroughly dragged, sprinkled, rolled and compacted.

Second. That a cement curb be constructed along each line of the

roadway of said Louise street from the South line of Second street to the North line of Ninth street including returns at all street intersections (excepting along such portions of the line of said roadway upon which a cement curb has already been constructed to the official line and grade) in accordance with the specifications for the construction of cement curbs on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 2.

Third: That a cement sidewalk five (5) feet in width be constructed along each side of said Louise street from the South line of Second street to the North line of Ninth street (excepting such portions of said Louise street—between said points along which a cement sidewalk four (4) feet or more in width has already been constructed to the official line and grade) said sidewalk to be constructed according to the specifications for cement sidewalks on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 1.

Section 2. That the Board of Trustees of the City of Glendale finds upon estimates directed to be furnished and furnished by the City Engineer that the total cost of said improvement will be greater than fifty cents per front foot along each line of said street, including the cost of intersections, and it is hereby determined, in pursuance of an Act of the Legislature of the State of California, approved February 27, 1893, as amended by an Act of the Legislature amending said last named act, which amending act became a law March 2, 1899, that bonds shall be issued to represent the cost of said improvement. Said bonds shall be serial, extending over a period of ten years from their date, and an even annual proportion of the principal sum thereof shall be payable, by coupon, on the second day of January every year after their date, until the whole are paid, and said bonds shall bear interest at the rate of seven per cent. per annum on all sums unpaid payable semi-annually, by coupon, on the second days of January and July of each year, and until the whole of said principal and interest are paid.

Bidders must file with each proposal or bid, a check payable to the order of the President of the Board of Trustees of the City of Glendale, certified by a responsible bank, for an amount which shall not be less than ten per cent. of the aggregate of the proposal, or a bond for the said amount and so payable, signed by the bidder and two sureties, who shall justify before any officer competent to administer oaths, for double the said amount, and over and above all statutory exemptions. In bidding use blanks which will be furnished by the City Clerk upon application.

Glendale, Cal., 17th day of July, 1908.

NOTICE OF STREET WORK.

Notice is hereby given, that the Board of Trustees of the City of Glendale, on the 1st day of July, 1908, did, at its meeting on said day, adopt a Resolution of Intention, No. 166, to order the following work done, to-wit:

FIRST: That that portion of SECOND STREET from the westerly line of Glendale Avenue to the northerly prolongation across Second street of the east line of lot B of the Glendale Boulevard Tract as recorded in Book 5, page 167, of Map Records of Los Angeles County, California, and also that portion of Second street from the northerly prolongation across Second street of the west line of lot B of the aforementioned Glendale Boulevard Tract to the east line of Central Avenue, including all intersections of streets (excepting such portions of said street and intersections as are required by law to be kept in order or repair by any person or company having railroad tracks thereon), be graded and oiled in accordance with the plans and specifications for the grading and oiling of streets on file in the office of the City Engineer and specifications for the grading and oiling of streets on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 9, except under the heading "Oil." The oil used shall be crude petroleum containing not less than 80 per cent asphalt.

SECOND: That a cement curb be constructed along both sides of the roadway of said Second Street from the Westerly line of Glendale Avenue to the Easterly curb line of Isabel Street.

And that a cement curb be constructed along the South side of the roadway of Second Street from the Westerly curb line of Isabel Street to the Easterly curb line of Mary Street (excepting such portions of said Second Street where a cement sidewalk five (5) feet in width has already been constructed to the official line and grade), said sidewalk to be constructed in accordance with Specifications for the construction of cement sidewalks in the City of Glendale, California, on file in the office of the City Clerk of the City of Glendale, said Specifications being numbered 2.

THIRD: That a cement walk five (5) feet in width be constructed along each side of said Second Street from the Westerly line of Glendale Avenue to the Easterly curb line of Isabel Street, and that a cement walk five (5) feet in width be constructed along the South side of said Second Street from the Westerly curb line of Isabel Street to the Easterly curb line of Mary Street (excepting such portions of said Second Street where a cement sidewalk five (5) feet in width has already been constructed to the official line and grade), said sidewalk to be constructed in accordance with Specifications for the construction of cement sidewalks in the City of Glendale, California, on file in the office of the City Clerk of the City of Glendale, said Specifications being numbered 1.

SECTION 2. That the Board of Trustees of the City of Glendale hereby finds upon estimates directed to be furnished and furnished by the City Engineer, that the total cost of said improvements will be greater than fifty cents per front foot along each side of said street, including the cost of intersections, and it is hereby determined in pursuance of an Act of the Legislature of the State of California, approved February 27, 1893, as amended by an Act of the Legislature of the State of

California, amending said last named Act, which amending act became a law March 2, 1899, that bonds shall be issued to represent the cost of said improvements; said bonds shall be serial, extending over a period of ten years and an even proportion of the principal sum of such bonds shall be payable annually by coupon, on the second day of January of each year after their date, until the whole are paid, and said bonds shall bear interest at the rate of seven (7) per cent. per annum on all sums unpaid; payable semi-annually by coupons on the second days of January and July of each year.

Reference is hereby made to said Resolution for further particulars of said work.

F. R. SINCLAIR, Street Superintendent of the City of Glendale.

NOTICE OF PUBLIC WORK.

Public notice is hereby given that the Board of Trustees of the City of Glendale, on the 24 day of July, 1908, did, at its meeting on said day, adopt a Resolution of Intention, No. 168, to order the following improvement to be made, to-wit:

Section 1. That the public interest and convenience require and it is the intention of the Board of Trustees of the City of Glendale to close up, vacate and abandon for street purposes (1) all that portion of Eagle Rock Road (as shown on the map of Watts Subdivision of a portion of the Rancho San Rafael, as recorded in Book 5, pages 200-201, Miscellaneous Records of Los Angeles County, California) lying between the easterly city boundary line of the City of Glendale and a line drawn from the southeast corner of Lot Eighty (80) of above mentioned subdivision to the most northerly northeast corner of Lot Seventy-four (74) of same above mentioned subdivision; (2) and all that portion of Third Street shown upon above referred to map of Watts Subdivision, lying between the above mentioned line from the southeast corner of Lot Eighty (80) to the most northerly northeast corner of Lot Seventy-four (74) and the easterly line of Verdugo Road as also shown upon map of aforementioned Watts Subdivision, and (3) all that portion of Third Street as shown upon aforementioned map of Watts Subdivision, including all portions dedicated subsequently for road purposes, lying between the westerly line of Verdugo Road and the westerly line of aforementioned Watts Subdivision. Said westerly line being identical with the easterly line of the Childs Tract as recorded in Book 5, page 157, Miscellaneous Records of Los Angeles County, California. (4) All that portion of Third Street from the aforementioned east line of the Childs Tract to the easterly line of Adams Street (originally A Street) as shown on the map of the Town of Glendale as recorded in Book 14, pages 95 and 96, of Miscellaneous Records of Los Angeles County, California. (5) All of that portion of Third Street from the west line of Adams Street to the east line of Belmont Street (formerly B Street) as shown upon above mentioned map of the Town of Glendale. (6) All of that portion of Third Street from the west line of Belmont Street to the east line of Cedar Street (formerly C Street) as shown upon above mentioned map of the Town of Glendale. (7) All of that portion of Third Street from the west line of Cedar Street to the east line of Glendale Avenue as shown upon above mentioned map of the Town of Glendale.

Section 2. That the exterior boundary of the district of land to be affected by said work of improvement and to be assessed to pay the damage, costs and expenses thereof are hereby specified and declared to be as follows, to-wit: A strip of land fifty (50) feet wide on each side of above described Third Street adjacent to and parallel with said Third Street within the limits above named, and also a strip of land fifty (50) feet wide on each side of above described Eagle Rock Road, adjacent to and parallel with said Eagle Rock Road within the limits above named.

Reference is hereby made to said Resolution for further particulars of said work.

F. R. SINCLAIR, Street Superintendent of the City of Glendale.
